

New 150W - 400W Vertical Lamp Completes Aviator Line

The Aviator Family welcomes a new member, the medium housing **Vertical-Lamp version**. This new addition is a perfect complement to the full line of Aviator products and fulfills your lighting needs **up to 400-watts**. The high-performance optics boast **full cutoff classification** in a medium-sized 20-inch housing.

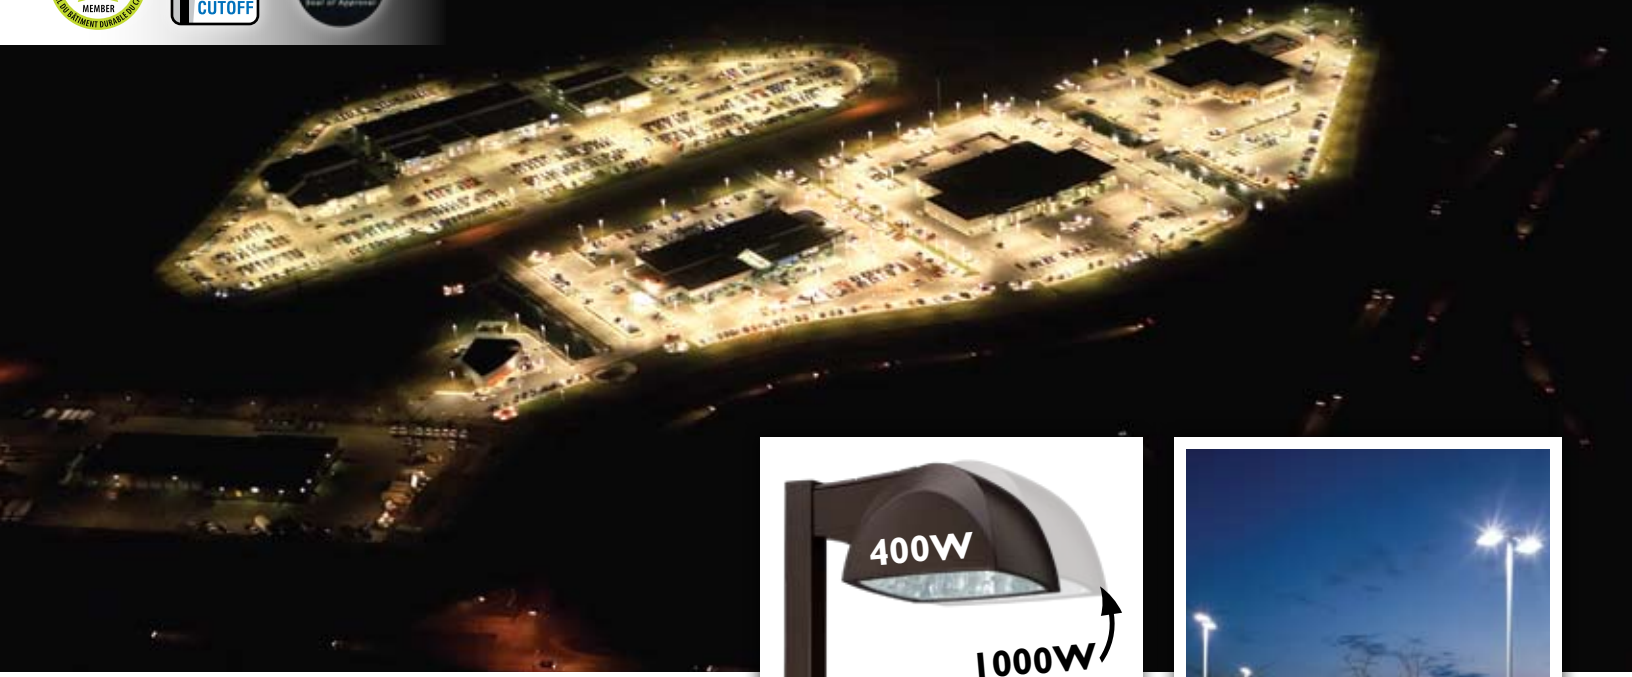

The **NEW Aviator** features:

- PSMH, MH, and HPS lamp choices from 150W to 400W
- Vertical-lamp, full cutoff, rotatable Type III and IV optics, segmented Type V optics
- Tool-less entry
- Removable ballast tray
- Thermal-chimney and heat-sinked ballast module provide extended component life
- Post-top and side-arm mountings
